Make way for the Cars!

Railroad Vote in Cumberland County!

For & Against, Oct. 6, 1852.

Mrs. Zimmerman:

On Friday last, an election came off in this (Cumber land) county in relation to taxation to construct the Railroad from Danville, Ky., to the direction of McMinnville, Tennessee, which resulted as follows:

	For Tax.	Against.
Barkerville,	101	51
Eaton's,	33	31
Marion's,	35	30
Wilkins'	34	61
Lawson's,	51	33
	258	235
Maj. for the Tax,	23.	

The citizens of this county have thus voted to tax themselves \$10,000 per year for four years to effect the construction of the South-Western Railroad. The majority would have been much larger, if we could have had more time to inform the citizens properly as to the manner and effect of taxation.

As to Scott and Graham, it is a most interesting affair here. The Whigs are divided and energy. We will give you an unusually large Whig majority. Some few Democrats will vote with us.

Yours, etc., K.

**Buzz for Casey?**

A friend from Casey county informs us that the people of that county have voted for the Railroad Tax by a good majority. This is coming up to the work in good hard earnest.

**SELECTED ITEMS.**

—A large number of spurious gold dollars are said to be in circulation.

—Our Whig exchanges come to us loaded with the most cheering account of the progress of the canvass.

—Gen. Bailey, a prominent Democrat of Marshall county, Ky., has declared for Gen. Scott.

—During the last week, 1,500 emigrants passed through Buffalo en route for the West.

—The earnings of the Cleveland and Columbus Railroad for September will exceed \$100,000.

—By telegraph we learn that Hon. George M. Tazewell has accepted the State Rights nomination for the Presidency.

—The aggregate wealth of the United States amounts to \$12,000,000,000, and the population is 24,000,000 souls.

—The number of castles in Kentucky, as reported for taxation, is 595,756; value, about three millions of dollars.

—It is estimated that over \$100,000 changed hands on the result of the city election in Cincinnati.

—Governor Morris, of South Carolina, has appointed Friday, October 29th, as a day of Thanksgiving and praise.

—Uncle Tom's Cabin," has been translated into German, and is now going the rounds of the German newspapers.

—At a meeting of the Chippewa Club at Frankfort Saturday night last, seven Dem. casts were proposed and elected members.

—Livingston's Law Reporter says, there is not one lawyer in the United States named John Smith. He lives at St. Albans, Va.

—In 1826, at the time of the revolution the population of Texas did not exceed 20,000 souls. It is now believed to be at least 35,000.

—A London letter says: "Keswick and the Mazzini party here are very busy. There is evidently more brewing in this quarter than many suppose."

—The report of the American Colonization Society, during the grand annual meeting of 20th ult., were £4,203 47, to which was in legacies.

—Even vessels have sailed from New York and three from Boston for the Australia-gold miners. The former took out 1,623 emigrants.

—Hon. W. T. Woodward made a splendid speech at Lancaster on Wednesday. The Argus of that place says that his review of the life of Gen. Scott was a masterly effort.

—Hon. E. A. Harrigan who killed his brother-in-law, in a drunken brawl, is now clear from all legal proceedings — The grand jury did not find an indictment.

—A London correspondent says: "In a few months France will again be an empire, and Louis Napoleon will be Emperor Napoleon III, unless he is assassinated."

—The county court of Marion county, in this State, have refused the citizens of the county the privilege of voting for or against the Railroad tax! This is something new and novel.

—The Boston Mail says Tom Corwin chews a pound of tobacco per day. It is related of him that his quids are so large that one of them once stopped the mail stage on the national road!

—Major James McLaughlin, of Hopkinsville, was found dead in his bed on the morning of the 11th inst. He was distinguished as a lawyer and as a poet, and possessed talents of a high order.

—By the latest papers we are glad to notice that the Californians are erecting mills, meeting-houses, and school-houses. These are the most useful buildings in any country, and without them no country can be prosperous and happy.

FRANCE.—We find this floating among the walls of foreign news:

The first step towards the establishment of an empire will be taken on the 10th of this month, at Tours, where a decree will be issued, convoking an extra session of the Senate, to consider the petitions in favor of an empire.

"A Hasty Plate of Soup."

—The Democrats report that Pierce said, some two years ago, that if John P. Hale should head an army to march upon the South, that "he must pass over his (Pierce's) dead body." Well, if a horse could pass over his live body, we don't see any difficulty in a man passing over its dead body.

We charge Gen. Scott with cowardice in Pennsylvania.

We do not believe that any man, nay toward himself, would apply such language to Gen. Scott. We have no doubt but any man or boy who would take the trouble enough with impunity to kick the editor of the Pennsylvania, whenever he is from end to end of the longest street in McMinnville, Tennessee, which resulted as follows:

For Tax. Against.  
Barkerville, 101 51  
Eaton's, 33 31  
Marion's, 35 30  
Wilkins', 34 61  
Lawson's, 51 33  
Total, 258 235

Maj. for the Tax, 23.

**Compare the Two.**  
**READ AND PONDER!**

The present Presidential canvass is peculiarly a contest between merit and desert. A trial is to be made between the opposing forces of obscurity and renown—a trial whether doing nothing is stronger than everything—whether passive existence is more worthy of reward than active merit. Which of the two deserves support? We place the candidates and their claims in comparison:

**IN UNION THERE IS STRENGTH!**

DANVILLE, VA.  
Friday Morning, Oct. 22, 1852.

## Whig Ticket for 1852!

FOR PRESIDENT,  
**GEN. WINFIELD SCOTT.**

"I feel myself a citizen of every part of the Union; and whatever of life and strength I may have, shall be devoted to its preservation."—Gen. Scott.

FOR VICE PRESIDENT,  
**HON. WM. A. GRAHAM,**  
of North Carolina.

**WHIG ELECTORS.**  
FOR THE STATE AT LARGE.

**JOSHUA F. BELL,** of Boyle.  
**C. S. MOREHEAD,** of Franklin.

WHIG ELECTORS.

1st. Lucius Anderson, of Graves.  
2d. John S. McFarland, of Davies.  
3d. John G. Rogers, of Barbour.  
4th. Thos. E. Bramlette, of Adair.  
5th. John L. Helm, of Hardin.  
6th. Curtis F. Burnside, of Madison.  
7th. John Rodman, of Oldham.  
8th. Thos. F. Marshall, of Woodford.  
9th. Leander M. Cox, of Fleming.  
10th.—Thos. B. Stevenson, of Mason.

**REMEMBER,**

That the Presidential election is to be held on **Tuesday, the second day of November** and continues but a single day. The polls open at six o'clock in the morning and close at seven in the evening.

**WHIGS ARE YOU READY?**—The election is now but about ten days distant. Whigs, are you ready for it? If not, get so. There is no time to lose, and you should not rely on your majority in the State, as a reason for inactivity on the part of any true Whig. The present is no time for leggarts. Do your duty—wake your inactive Whig neighbors, if you have any such—and assist in organizing the party in your respective counties thoroughly. This done, the next important business is, for each Whig to cast his vote at the polls—and, for the sake of the party, and our cherished principles, let every Whig do this, though he does it at the sacrifice of a little convenience. Lutherans are holding back, but let every man do his full duty, and Kentucky will roll up a Whig majority equal to that of 1840.

## The Whig Mass Meeting.

Every Whig in the county should arrange his business so as to enable him to be at the Whig meeting at Caldwell's meeting-house, on Monday next. Let it be a gathering of the masses from this who's section of country, and thus show to our friends abroad and our enemies at home, that we are ready for the great battle, which now is but a little more than a week distant. Comfortable seats will be prepared for the ladies, large numbers of whom are expected to honor the meeting with their presence. In addition to the venerable Ex-Governor METCALF, Hon. R. P. LETCHER, and Hon. C. S. MOREHEAD, who will certainly be present, it is confidently expected that other distinguished speakers will be there also. So there will be no lack of good speaking.

Our Democratic friends are cordially invited to attend, and hear the truth well told.

**The following gentlemen have been appointed a Committee of Arrangements for the Mass Meeting on Monday next:** W. L. Tarkington, W. H. F. Lightfoot, W. L. Caldwell, John Henderson, David A. Knox, Thos. C. Caldwell, Mat. Snuck, A. D. Irving, Geo. F. Lee, A. D. Meyer, Jas. Brumfield, M. G. Purdon.

And the following have been selected as Marshals of the day: Col. G. W. Donoghay, Chas. Ridgway, Garret Clarkson, Henry Gray, J. B. H. Laumer, W. F. Webb.

**MR. WARD'S SPEECH.**—Hon. W. T. Ward, the efficient Whig representative in Congress from this district, addressed quite a large number of his fellow-citizens at the Court House in this place, on Saturday last. His speech recommended itself as being replete with good sense and sound argument. His comparison of the merits of Gen. Scott with the demerits of Gen. Pierce, was as truthful as it was unpleasant to Democratic ears. Altogether Mr. Ward's speeches are such as are calculated to do much good in the Whig cause, and we are glad to see him engaging in the canvass with so much zeal.

**Hon. J. F. BELL** is doing good service in the Green River country. He has immense crowds to hear him, and the Whigs everywhere regard him as one of the first orators in the State.

**NEW CIGAR STORE.**—See the advertisement of Mr. SCHALKENBACH, who has just opened a choice lot of Cigars, Chewings Tobacco, &c.

**NEW YORK SUITE FOR SCOTT!**—The New York Courier and Empirer, the Express and papers from all parts of the State, say that the State will, without any doubt, vote for Scott by at least 20,000 majority.

**THE WHIG CAUSE.**—The prospect of success to the Whig party in the coming election is as bright as ever, and we have an abiding confidence that Winfield Scott will be most triumphantly elected. In every quarter the signs of the times are of the most cheering character. The recent local elections in Ohio, Indiana and Pennsylvania give no cause of alarm, nor should they. The accounts from those States show plainly that Scott will beyond all doubt easily carry them all, with perhaps the exception of Indiana. Give no heed to Democratic crowing. They only boast to keep their own courage up. But let the Whigs be up and doing during the few days yet preceding the election, and we'll send the Locofoco farther up Salt River than we did in 1840.

**LOOK OUT FOR FRAUDS!**—Our Whig friends should look out from this time until the election, for the "last cards" of the Locofoco. Reports of immense majorities, tremendous "reactions," slanders on our candidates, &c., &c., &c., may be expected, and if they do not show themselves, it will be a sign of fairness never before known to Democratic wire-workers.

**The Webster organization in North Carolina has dissolved.**

**A NEW WORK.**—"The Cabin and Parlour; or Slaves and Masters" By J. THOMAS RANDOLPH.—We are indebted to the publisher, T. B. Peterson, Philadelphia, for a copy of a book just published, bearing the above title. It is intended as a companion or response to "Uncle Tom's Cabin," "Aunt Phillips's Cabin," nor anybody else's cabin, but takes high ground for the Constitution, and gives a truthful picture of the people as they are—the Northern lord and his vassals—the Southern master and his slaves—and the "duties" of both North and South—being a book for the whole country, knowing no particular section thereof. It is emphatically a book for the times, and is more interesting, truthful, and deserving of favor than any of the kind we have yet read. It is complete in one volume of 330 pages, and will be sent by mail, free of postage, at 50 cents per copy, bound in paper, or \$1, bound in muslin.

**PENNSYLVANIA.**—The Democrats have elected their candidates for Supreme Judge and Canal Commissioner in Pennsylvania's, but national politics bid but little to do in producing these results, as the vote of many of the counties clearly prove. Philadelphia city and county, for instance, gave both Whig and Democratic majorities for different offices. The majority of the Democrats in the State is between ten and twelve thousand. The Whigs have gained one or two Congressmen, and carried the State Senate. Set Pennsylvania down as certain for Scott, who is everywhere much stronger than any local candidate. She voted against the Whigs in the local elections of '48, and still Taylor received 13,500 majority.

**COMMERCIAL BANK OF KENTUCKY.**—The amount of capital stock required by the charter of this institution to authorize it to commence banking operations having been paid in, Gov. Powell, in accordance with the provisions of the charter of said bank, has issued his proclamation authorizing said bank to commence business as a banking institution.

**PITTSBURG, LOG AND ANVIL.**—This valuable monthly, the very best agricultural work in the country, is a regular visitor to our sanctum. Every farmer should subscribe for it, and we warrant that none will regret it. The friends it made while in the hands of the Senior Skinner, have no cause to be less friendly to it since it has passed into the hands of the Junior, who has the most able and experienced assistants. Published at New York, at \$3, per annum, in advance.

**According to the San Francisco Price Current, the gold shipped from San Francisco for eight months of the present year amounted to \$27,000,000—average \$3,325,000 per month, or at the rate of \$40,594,600 for the year.**

**LITTLE DELAWARE GLORIOUSLY ERECT.**—The whole State has been heard from as regards the Inspector's election, and the Whigs have carried every county in the State. The result is a decided one. No such event has happened since 1840. The Democrats, who professed confidence, have experienced an overwhelming defeat. This is the first gain from the Middle States, and a precursor of what is to follow in other sections of the Union.

**FLORIDA.**—A despatch from Baltimore dated the 19th, says: "Mr. Cabell is at Richmond, and says he has sufficient returns from Florida to satisfy himself of his election to Congress, and Ward's (whig) election for Governor."

**We will publish the list of Congressmen elected in Pennsylvania and Ohio as soon as we receive it in full.**

**A LOE!**—The weekly Louisville Democratic papers came to this place on Wednesday last, containing in large letters the announcement that Ohio, Indiana, and Pennsylvania had each given 20,000 majority for the Democrats. This is a lie—a lie in importation—in substance a lie in *toto*—and a lie altogether unworthy respectable editors.

**HOGS.**—The Louisville Courier of Tuesday last, says:

Hogs are quiet, and we hear of no sales in addition to those quoted a few days since. About 10,000 head have been offered at \$2, from the hooks, but not taken.

The impression prevails that the number of hogs this season will be fully equal to the last, and speculators and buyers assert that the crop throughout the West will be the largest ever known.

**The Concord Democrat**, published at the home of Pierce, insists that he is insane, and thinks that the best possible proof of the fact is the General's denial of the New Boston speech.

**NEW YORK SUITE FOR SCOTT!**—The New York Courier and Empirer, the Express and papers from all parts of the State, say that the State will, without any doubt, vote for Scott by at least 20,000 majority.

## THE RECENT ELECTIONS.

The reported results of the late elections in Ohio, Pennsylvania and Indiana caused quite a deal of crowing among our Democratic friends last week, but as the official returns came in, we find that everything looks just as favorable to the Whigs as any reasonable man expected. The full returns are not yet in, but none have yet been received that should give Whigs any alarm.

**OHIO O. K!**

Cass received a majority in Ohio of 16,414, and the Democratic candidate for Governor last year had a majority of over 26,000. Now, the result is quite different. The Whigs have gained largely in nearly every county. In Hamilton county, for instance, which gave 3,773 Democratic majority last year, a Whig Sheriff has been elected by 600 majority, and the Democratic candidate for Congress received a majority of only 300. It is reasonably believed that the Democratic majority on the State ticket will not exceed eight or ten thousand, and on the Congressional vote, not more than five thousand.

Since the above was in type, we have the following telegraphic news in the Louisville Journal:

*It was glorious news for the Whigs. It was specially telegraphed for the Louisville Journal.*

**COURTESIES, Oct. 16, 1852, P. M.**

**FIFTY-FIVE COUNTIES ARE IN THE WHIG GAIN IN THEM OVER TEN THOUSAND!**

In regard to the way Ohio will vote in the Presidential election, the Cincinnati Gazette, (the leading and most reliable paper in the State) says:

**Ohio is for Scott.**—We think it is now settled—a fixed fact—that the 23 votes of Ohio will be given to Gen. Scott. His strength is greater in the State—much greater—than that of our State ticket at the late election. All who voted the Whig ticket at our general election, will vote for Scott electors, and many that voted against us at the recent election will vote with us for Scott and Graham. Our friends in Ohio know, and our friends elsewhere may reassured, that Ohio is for Scott and Graham, for the Union, for internal improvements, for protection to our own labor, for peace, and the prosperity and happiness of the people.

**PENNSYLVANIA.**

The Democrats have elected their candidates for Supreme Judge and Canal Commissioner in Pennsylvania's, but national politics bid but little to do in producing these results, as the vote of many of the counties clearly prove.

Philadelphia city and county, for instance, gave both Whig and Democratic majorities for different offices. The majority of the Democrats in the State is between ten and twelve thousand. The Whigs have gained one or two Congressmen, and carried the State Senate. Set Pennsylvania down as certain for Scott, who is everywhere much stronger than any local candidate.

She voted against the Whigs in the local elections of '48, and still Taylor received 13,500 majority.

**During the prevalence of the cholera at Buffalo, N. Y., there were 251 deaths by it, of which 482 were in the month of September. The total number of deaths by all diseases during the three months the cholera prevailed was 1,479.**

**THE WHIG MASS MEETING.**

Every Whig in the county should arrange his business so as to enable him to be at the Whig meeting at Caldwell's meeting-house, on Monday next.

Let it be a gathering of the masses from this who's section of country, and thus show to our friends abroad and our enemies at home, that we are ready for the great battle, which now is but a little more than a week distant. Comfortable seats will be prepared for the ladies, large numbers of whom are expected to honor the meeting with their presence.

In addition to the venerable Ex-Governor METCALF, Hon. R. P. LETCHER, and Hon. C. S. MOREHEAD, who will certainly be present,

it is confidently expected that other distinguished speakers will be there also.

So there will be no lack of good speaking.

Our Democratic friends are cordially invited to attend, and hear the truth well told.

**The following gentlemen have been appointed a Committee of Arrangements for the Mass Meeting on Monday next:** W. L. Tarkington, W. H. F. Lightfoot, W. L. Caldwell, John Henderson, David A. Knox, Thos. C. Caldwell, Mat. Snuck, A. D. Irving, Geo. F. Lee, A. D. Meyer, Jas. Brumfield, M. G. Purdon.

And the following have been selected as Marshals of the day:

Col. G. W. Donoghay, Chas. Ridgway,

Garret Clarkson, Henry Gray,

J. B. H. Laumer, W. F. Webb.

**MR. WARD'S SPEECH.**—Hon. W. T. Ward, the efficient Whig representative in Congress from this district, addressed quite a large number of his fellow-citizens at the Court House in this place, on Saturday last. His speech recommended itself as being replete with good sense and sound argument. His comparison of the merits of Gen. Scott with the demerits of Gen. Pierce, was as truthful as it was unpleasant to Democratic ears. Altogether Mr. Ward's speeches are such as are calculated to do much good in the Whig cause, and we are glad to see him engaging in the canvass with so much zeal.

**Hon. J. F. BELL** is doing good service in the Green River country. He has immense crowds to hear him, and the Whigs everywhere regard him as one of the first orators in the State.

**NEW CIGAR STORE.**—See the advertisement of Mr. SCHALKENBACH, who has just opened a choice lot of Cigars, Chewings Tobacco, &c.

**NEW YORK SUITE FOR SCOTT!**—The New York Courier and Empirer, the Express and papers from all parts of the State, say that the State will, without any doubt, vote for Scott by at least 20,000 majority.

**THE WHIG CAUSE.**—The prospect of success to the Whig party in the coming election is as bright as ever, and we have an abiding confidence that Winfield Scott will be most triumphantly elected. In every quarter the signs of the times are of the most cheering character. The recent local elections in Ohio, Indiana and Pennsylvania give no cause of alarm, nor should they. The accounts from those States show plainly that Scott will beyond all doubt easily carry them all, with perhaps the exception of Indiana. Give no heed to Democratic crowing. They only boast to keep their own courage up. But let the Whigs be up and doing during the few days yet preceding the election, and we'll send the Locofoco farther up Salt River than we did in 1840.

**LOOK OUT FOR FRAUDS!**—Our Whig friends should look out from this time until the election, for the "last cards" of the Locofoco. Reports of immense majorities, tremendous "reactions," slanders on our candidates, &c., &c., &c., may be expected, and if they do not show themselves, it will be a sign of fairness never before known to Democratic wire-workers.

**The Webster organization in North Carolina has dissolved.**

**A NEW WORK.**—"The Cabin and Parlour; or Slaves and Masters" By J. THOMAS RANDOLPH.—We are indebted to the publisher, T. B. Peterson, Philadelphia, for a copy of a book just published, bearing the above title. It is intended as a companion or response to "Uncle Tom's Cabin," "Aunt Phillips's Cabin," nor anybody else's cabin, but takes high ground for the Constitution, and gives a truthful picture of the people as they are—the Northern lord and his vassals—the Southern master and his slaves—and the "duties" of both North and South—being a book for the whole country, knowing no particular section thereof.
